SCI Companies Fact Sheet

Our Company

SCI Companies (SCI) is a *best in class* provider of innovative Human Resources Outsourcing (HRO) options that has been delivering business solutions to organizations for over 25 years. As a Human Resources Partner, SCI enables our Clients to cost-effectively outsource the management of human resources, employee benefits, payroll and workers' compensation. When leveraging our expertise, our Clients are able to focus on their core competencies to maintain and grow their bottom line.

We support your efforts to manage your largest asset, your people. Our flexible, customer-focused approach results in a comprehensive menu of services; all designed to offer the convenience of a single-source provider for every HR need.

Since 1985, SCI Companies has partnered with more than 1,000 Client companies and over 100,000 worksite employees nationwide. In addition, SCI has two affiliated companies that can provide value-added services. [PlatformOne](#) focuses on leveraging our technology platform to deliver Human Resource Business Process Outsourcing (HR-BPO) solutions and SCInsurance Mart offers a full spectrum of insurance products and services to protect you, your business and your employees.

Inside Business Review with Fred Thompson featured SCI Companies in a segment focused on "Innovative HR Solutions to increase Productivity and Profitability." [View the video](#) on our website and [learn more](#) about SCI Companies.
